Bachelor of Computer Science Savitribai Phule Pune University	2019 PUNE
---	---------------------

Higher Education Yeshwant Mahavidyala, Nanded	2016 Nanded
---	-----------------------

WORK EXPERIENCE

Web Developer Intern Ashray Pvt Ltd	July 2025 – Dec 2025 Pune
---	-------------------------------------

- Worked under the guidance of senior developers to develop and maintain the company's website using **HTML, CSS, and JavaScript**.
- Collaborated with the **UI/UX design team** to implement responsive layouts and improve overall user interface consistency.
- Gained hands-on exposure to **React and modern frontend development practices** while assisting in feature development and debugging.

PROJECTS

AI Chatbot | HTML, CSS, JS, React JS

- Developed a **Gemini-style AI chatbot interface** using **React.js, HTML, CSS, and JavaScript**, focusing on responsive UI and smooth user interaction.
- Implemented **dynamic state management and API integration** to fetch and display AI-generated responses in real time.
- Designed a **modern chat UI with message history, loading states, and user-friendly interaction flow**.

E-Commerce Website | HTML, CSS, JS, React JS

- Developed a **responsive E-commerce web application** using **React.js, JavaScript, HTML, and CSS** with a clean and user-friendly interface.
- Implemented core features such as **product listing, product details page, shopping cart functionality, and dynamic state management**.
- Utilized **React components and hooks** to build a modular and scalable frontend architecture.
